Dear Authors,

Greetings from Journal of Southwest Jiaotong University,

Thank you so much for being so interested in submitting your research to our Journal of Southwest Jiaotong University.

Two independent experts in the field have reviewed your manuscript.

We are pleased to inform you that the paper has been accepted for publication subject to minor revisions being made in response to the reviewers' comments given below.

You need to send the following to the editorial office via [editor@jsju.org](mailto:editor@jsju.org), if you want to publish in the Journal of Southwest Jiaotong University, Volume 56 (6), 2021:

The article, strictly formatted according to the template recommendations for authors and correct the article on the reviewers' recommendations, see <http://jsju.org/JournalTemplate.docx>, responses to reviewers, and proof of payment.

All revisions should be highlighted in the article in blue. We hope you will do great.

1. Please add the purpose and a novelty of the results to the abstract (2 sentences).
2. Add 3-5 research hypotheses and show in the RESULTS section how they are tested and proven.
3. Authors should explain better the criteria for selecting the research object and the limitations of the application of the results obtained should be specified.
4. Authors should explain the academic contribution of the work developed (150 words in conclusion). Highlighting what is innovative/original about the existing literature.  
This paper is novel because it seeks to contribute to the current debate in the literature.....The scientific novelty of the article also consists of a conducted large-scale study describing the author's theoretical and practical prerequisites.....

Deadline for corrections and payment: September 20, 2021.

\*Please include the invoice number in the payment note.

\*\* Please write in the subject of the email: revised article and payment foto.

Journal of Southwest Jiaotong University charges Publication Fee at the rate of EUR 370.00. All articles published in our journal are open access and freely available online, immediately upon publication.

We recommend that the authors use the academic text editing service for the scientific articles, not just proofreading. Please use the American English option. We recommend the use of large, trusted companies with editors having a Ph.D. degree. You should also attach an editing certificate or use the editorial office services. Articles that native English speakers do not edit are not allowed for publication. The editorial team provides academic proofreading services for the authors at an additional cost - EUR 80 (word count depends), if you don't attach an official English editing certificate. The fee's already included in the invoice.

Southwest Jiaotong University:

Open access - free for readers, article processing fee (APC) paid by authors or institutions.

High visibility: indexed in many databases.

Subject Area and Category: multidisciplinary.

Rapid publication: manuscripts are peer-reviewed. The first decision is given to authors about 20 days after submission; acceptance for publication after revisions is done within 2-5 days (averages for articles published in this journal in the second half of 2020).

Recognition of reviewers: Reviewers who provide thorough review reports promptly receive vouchers that entitle them to a discount on the APC of their next publication.

Please read our published articles <http://jsju.org/index.php/journal/issue/archive>.

Title of your paper: ISLAMIC RELIGIOUS EDUCATION OF THE ARCHIPELAGO : A STUDY OF DOCTORAL PROGRAM CURRICULUM

Corresponding Author's Email Address: [muh.munadi@iain-surakarta.ac.id](mailto:muh.munadi@iain-surakarta.ac.id)

Author(s): Muhammad Munadi, Hakiman

Keywords: Islamic education, Islam Nusantara, Islam of the Archipelago, Curriculum, Doctoral Programs

Abstract: The present study aims to find out the reference of curriculum development and curriculum content of Islamic Education doctoral programs.

This study is a qualitative research with content analysis as data analysis technique. The primary sources are the official websites of three programs, namely: Doctoral Programs of Interdisciplinary Studies-Based Islamic Education of Universitas Islam Negeri (UIN) Maulana Malik Ibrahim, Islamic Education of Universitas Muhammadiyah Malang (UMM), and Multicultural Islamic Education of Universitas Islam Malang (UNISMA).

The findings of this study reveal that the curriculum development denotes the vision and mission of respective program and the prevailing sociological progress within the society. The current doctoral programs of Islamic Education attempt to adjust the needs of the nation and state by including Islamic and multidisciplinary content within their curriculums. In addition, they also convey scientific methods/critical thinking, educational sciences, and preparation of dissertations.
