Reviewer A:

Title

Title reflects the essence of the content of the article (content, method, novelty)

:

The content of this study is interesting because it discusses a new issue, namely transgender. then the methods and approaches used are maslahah which is quite popular in Islamic law. In this context, the findings of this article show something new and are in accordance with the focus of Samarah Journal.

## Abstract

Abstract contains problem of research, method, and result

:

1. The abstract contains the problems and research objectives, methods and results found.
2. enter the maslahah approach in the abstract as mentioned in the title above.

## Originality

The originality of the subject matter, and the manuscript would be of interest to the the scholar of Islamic countries in general and specifically in Indonesia

:

This study can be said to be good because it examines the problem of distributing zakat for transgender people, so far zakat has been given to asnaf, the number of which is 8, as emphasized in the Koran. the argument built by the article is to empower while providing awareness to those who, in the view of Islamic law and health, are considered a group that needs attention and rehabilitation. The legal basis is the benefit (Maslahat) approach.

## The Depth of Literature

Whether the article draws on an appropriate range and depth of literature (if not please indicate which sources of literature should be included by the author in future)

:

good literature.

## Finding Presentation

Whether the findings presented are subjected to suitable analysis and sound conclusions drawn

:

This study succeeded in discussing the problem of distributing zakat to transgender people using the theory of Islamic law (maslahah). the data that is displayed is quite good and the theoretical analysis as well as the results and conclusions that meet scientific principles.

Implications for understanding the study of Islamic family law and Islamic law in Islamic in Islamic countries in general and specifically in Indonesia

:

This article will have implications for the understanding that Islamic law is in favor of groups that really need guidance and rehabilitation, namely transgender groups. However, it needs to be emphasized that this article means that Islamic law does not legalize or support transgender people, because in the context of Islamic law they need to be considered so that they are aware of their condition which requires medical and religious rehabilitation. not by marginalizing or bullying them.

Technical writing

Articles must be in accordance with the surrounding style and journal template

:

1. Please adjust the footnotes to the samarah journal template.
2. introduction; These subtitles can be combined with the introduction or remain standing alone, but must be given a separate title (see page 5).
3. research method move to introduction at the end (see notes on article manuscript)

Additional comment for the author:  
received with minor repairs.

Reviewer B:

### Title

Title reflects the essence of the content of the article (content, method, novelty)

:

This study contains novelty not only in the field of Islamic law but also international law. In addition to the contents and methods used, they also match Samarah journals.

### Abstract

Abstract contains problem of research, method, and result

:

abstracts conform to vague formats, especially in research methods.

### Originality

The originality of the subject matter, and the manuscript would be of interest to the the scholar of Islamic countries in general and specifically in Indonesia

:

globally in the international world both the Islamic world and especially Western countries this study is relatively new, because if you refer to the title and problems in this article, because only in Indonesia and Muslim countries that manage zakat, and have socio-religious issues such as transgender or others (street children), punk children and others.

### The Depth of Literature

Whether the article draws on an appropriate range and depth of literature (if not please indicate which sources of literature should be included by the author in future)

:

The reference is rich enough and meets international journal standards, however, in research methods, relevant books on legal research methods are also referred to.

### Finding Presentation

Whether the findings presented are subjected to suitable analysis and sound conclusions drawn

:

This study shows a continuity that is scientific and academic and is analyzed with a theory that fits the object of discussion to a conclusion.

Implications for understanding the study of Islamic family law and Islamic law in Islamic in Islamic countries in general and specifically in Indonesia

:

The content of the article will have implications for the paradigm of Islamic law which is universal, holistic and aligned with all contemporary and modern legal issues. although transgender issues in classical Islamic law have not been widely discussed (not to say that they have never been discussed).

Technical writing

Articles must be in accordance with the surrounding style and journal template

:

1. It should follow the transliteration writing pattern according to the samarah format.
2. the writing pattern starting from the abstract, introduction, content and discussion to the conclusion should refer to the samarah journal format

Additional comment for the author:

may be published with minor repairs.
