Woro Retnaningsih:

We have reached a decision regarding your submission to English Language Teaching "Developing Model Assesment For Learning (AFL) To Improve Quality and Evaluation In Pragmatic Course In IAIN Surakarta" Our decision is: Revisions Required

1. This article showed a 35% plagiarism rate, it's too high to process the article, so I requested the author reduc 15%.
2. There are too many grammar mistakes and sentence formation errors throughout the paper. Please check wi speaker.
3. The abstract is fine. Please elaborate more on the research background in the abstract.
4. The introduction section is good. But need to update step-by-step based on the types of flipped classrooms? learning, What is the role of the teacher in a flipped classroom? the features of a flipped classroom? differenc blended learning? What are the challenges of flipped learning? What are the advantages and disadvantages
5. Is there a specific reason why you only used WhatsApp for this analysis? What about other technical tools? WhatsApp in flipped learning? Also, explain the objective of the study and why you chose to study English. W provide it very clearly. Please provide more references in the introduction. (Sentence formation needs to be i section.)
6. The methodology section is fine. In this study, 64 English as a Foreign Language (EFL) learners were used.
